

SenecaGlobal is Designated as a Top 25 Best Workplace IT & IT-BPM - India

Dec 9, 2020

CHICAGO, IL and HYDERABAD, INDIA – [SenecaGlobal](#), a leading global IT services company, today announces that the [Great Place To Work Institute](#) recently designated SenecaGlobal as one of India's Best Workplaces in Information Technology & Information Technology-Business Process Management! Over 200 organizations applied, and after a rigorous assessment the top 25 were identified.

“SenecaGlobal is founded on the ideal that we are in a people business. Right from the start we’ve had a focus on building a world-class culture - - one based on openness, honesty, integrity and trust. Our associates experience great teamwork and success in this environment, which contributes to a very low turnover rate, rewarding careers and an ever-improving culture.”, states Rao Tummalapalli, SenecaGlobal Co-Founder and Managing Director. “We are very proud of our associates, and it’s great to see their dedicated work recognized by such an authority as Great Place to Work. And ultimately, our clients benefit from our world-class team.”

“SenecaGlobal has adopted ‘The Great Place To Work® Trust Model©’ built on 30 years of research and data collected through the Trust Index© Employee Survey. This Trust Model is utilized by leading organizations worldwide to benchmark their cultural practices.”, says Sarma Manthravadi, SenecaGlobal Senior Vice President, Operations. “These best practices are built right into our culture, and provide the foundation for continuous improvement and future growth.”

Great Place To Work® is the global authority (<https://www.greatplacetowork.com>) on building, sustaining, and recognizing high-trust, and high-performing workplace cultures. In the United States, Great Place To Work® produces the annual Fortune 100 Best Companies to Work For® list and over a dozen other Best Workplaces lists in partnership with Fortune including the Best Workplaces for Millennials, Women, Diversity, Small and Medium Companies, as well as for many different industries.
